1<sup>st</sup> 6 levels will be 20 minutes; thereafter blind levels will be raised every 15 minutes until tournament is concluded. Registration will close at the start of the 7<sup>th</sup> level (Approx. 5:15pm). Big blind will pay the ante for the table. Ante is paid before the big blind. Players may re-enter. This event will be 9 handed when manageable. Redraw for seats at 10. One in eight entries will be in the money (Approx. 12.5%). Tournament ends at last player with chips or if players agree to divide the remaining prize pool at the final table. All players that make it in the money will receive 1 point toward the Sit-N-Go leader board. \*\$80 buy-in + \$10 entry fee + \$10 Service charge. Entry fee and service charge not added to prize pool. After registration closes, the Action Clock will be implemented once the tournament is down to 3 tables. Action Clock rules: Players will have 30 seconds to act on their hand. Players will get 2 time extensions worth 30 seconds each and 2 additional time extensions when down to the final table (10 players). In the case that time expires for a player with remaining time extension chips, the player's Action Clock will automatically extend an additional 30 seconds. Collection of time extension buttons will take place at the end of the player's action. If a player's Action Clock expires and the player does not have any time extension chips remaining, he or she will be (a) forced to check if there is no bet pending or (b) fold if facing a bet or raise.
