1st 5 levels will be 15 minutes; thereafter blind levels will be raised every 10 minutes until tournament is concluded. Registration will close at the start of the 6th level (Approx. 10:55pm). Tournament ends at last player with chips or if players agree to divide the remaining prize pool at the final table. Prize pool payouts will be calculated based on paying top 4 entries or 15%, whichever is higher. Players may re-enter if a seat is available and are treated as a new player. Redraw for seats at 10. *\$55 buy-in + \$15 entry fee. Entry fee not added to prize pool. 100% of buy-in and add-on added to the prize pool. **There is a cap on the number of tables at 3 ten handed tables, alternates may enter once a seat is open. Action Clock rules: Players will have 30 seconds to act on their hand. Players will get 2 time extensions worth 30 seconds each and 2 additional time extensions when down to the final table (10 players). In the case that time expires for a player with remaining time extension chips, the player's Action Clock will automatically extend an additional 30 seconds. Collection of time extension buttons will take place at the end of the player's action. If a player's Action Clock expires and the player does not have any time extension chips remaining, he or she will be (a) forced to check if there is no bet pending or (b) fold if facing a bet or raise. Big blind will pay the ante for the table. Ante is paid before the big blind. WPT, World Poker Tour and Spade Card Design are registered trademarks of WPT Enterprises, Inc. All rights reserved. 1st place receives 2 points on the Sit-N-Go leader board. If players agree to chop the prize pool, the player with the most chips will receive the points. The points are non-transferable and non-negotiable. If players agree to an even chop due to chip stacks being relatively close, then one hand can be played to determine the chip leader and winner of the points. No player can manipulate the outcome of the leader board and/or the points being awarded, if a player is found to try and circumvent the integrity of the leader board, that player(s) may be disqualified and not be eligible to participate.
